Seven Lakes Hermitage chant, tone 6

Hav-ing placed all their hope in things of heav - en,

the saints ga-thered up for them-selves treasures which can - not

be de - spoiled. Freely they received, freely they give heal - ing

for those who suf - fer from dis - ease. As the Gospel teaches, they

took neither sil - ver nor gold. to both men and beasts,

[they dispensed their benefactions.]

they dispensed their ben - e - fac - - tions. Thus in all things

they became o - be - di - ent to Christ, so that they might

free - ly in - ter - cede for our souls.
